2 Berth - Traditional Tug
Russell Newbery RD1

SUMMARY

"Ben" is a beautifully finished 40ft Traditional Tug, ideal for classic boat lovers and engine enthusiasts. At its heart is a fully rebuilt Russell Newbery RD1 (2023), delivering that unmistakable sound and presence only a true vintage engine can provide.

Crafted with traditional styling, 'Ben' features a spacious tug deck, recessed rear panels, and a long swim. In 2025, the hull was treated with 2-pack epoxy and new anodes fitted, while the cabin received a fresh repaint in Masons paint.

Whether you're cruising the cut or moored at the basin, 'Ben' draws admiration wherever it goes. A rare chance to own a tug with genuine character and charm.
